** Warranty does not cover over discharged batteries or diminishing capacity due to battery age and depth of discharge

If you think your battery may need replacing under warranty, please contact the place of purchase or ring 13 000 62966 so we can help trouble shoot the issue over the phone. Often, the fault can lie with other components of the charging system.

Proof of purchase is required

If you wish to return the battery to a stockiest for testing, this will be at your cost unless damaged upon delivery and you notify us at the time.

The battery will be tested and if found faulty we will pay the cost of sending a replacement battery.
